Open Mic with ReWriting Our Worlds

Readings from our writing group

Monday, November 18th from 6-7:30 PM
at the Brewing Market in Lafayette

The ACL *ReWriting Our Worlds* writing group is hosting our first public reading. We are parents of children of many ages who live with unique challenges. Through a facilitated process, we gather monthly to write, read and support one another as writers who are rewriting our stories. Parents will read from their work generated in the group. Please join us!
